**E:** I am leaving

Running from those memories

I'm tired of floating

Within a puzzle I can't solve

But there's one thing

I need to let you know

I can't feel life without you

And I need to let you go

**Chorus:** And I don't want to run away without you

I don't want to run away without you

**K:** Hold my hand for a moment

**E:** Might it catch on fire?

**E:** The way it does

**K:** When I look into your eyes

**E:** Lay me down for a moment

**K:** Touch me with your lips

**E:** Fill me deep with your love

**Both:** And heal me with your fingertips

And I don't want to run away without you

I don't want to run away without you

Bridge: Am---Em---Dm---Am---G---F---E---E7---

**E:** And I can't breathe without you

**K:** I won't be free without you

**Both:** And I'll never want to taste another kiss without you

Violin solo:

**F--- C--- G---Am--- Em---Dm---Am---G---Am-----**

**E:** Still I'm lost here without you

**K:** What if you had stayed?

**K:** If I gave you a reason

**Am**

**E:** Would I still have turned away?

And I don't want to run away without you

I don't want to run away without you

I don't want to run away without you

I don't want to run away without you....
