

Pretend

Interlude/intro: D-C-/ G---

D- C-/ G---

Am-----G/B-----C-----

Sometimes I think we went too fast

Dm-----F-----g(bass)

Perhaps I promised you the world too much

Am-----G/B-----C-----

I feel my life is passing by

Dm-----

And although I know I love you

----- F-----G-----

I need to spread my wings and fly away...

C-----C7/E-----F-----G-----

Can you pretend to know me

C-----C7/E-----F-----G-----

Or am I lost again

C-----C7/B-----Am-----F—G-----

Can you pretend to love me

C-----C7/B-----F

Or have we reached the end....

(interlude)

Nothings like it used to be

I can't remember how it used to feel

But now I look into your eyes
It's like looking at a stranger
There is nothing I can recognize

Can you pretend to know me
Or am I lost again
Can you pretend to love me
Or have we reached the end

Bridge:

Dm-----C-----Bb-----

Is there nothing you could say

-----F-----C-----

That could change the way I feel about you

Dm-----C-----Bb-----

Is there nothing you can do

-----F-----C-----

That might cause my heart to stay for awhile

Dm-----C-----Bb-----A-----

Nothing can change what I've done to you or will do tomorrow

Violin solo over bridge chords only in B Maj

Chorus – up a step (D, Fsharp, etc....)
