

Wrap Your Soul Around Me

VERSE 1

[D] [A/C#]
I sat down on the sidewalk

[Bm] [Bm/A] [G]
Where I used to lay at your feet

[D] [A/C#]
Looked up at the stars shining down

[Bm] [Bm/A] [G]
On where two lovers would meet

PRE-CHORUS

[D] [A]
And I can still feel the first time that you kissed me

[Bm] [G] [Gm]
How it burned my heart, tore my spirit out and set it free

CHORUS

[D] [A]
Oh

[Bm] [G]
Wrap your soul around me

[D]

VERSE 2

[D] [A/C#]
As I lay dawn beside your heart

[Bm] [Bm/A] [G]
And watch the moonlight kiss your mouth

[D] [A/C#]
I can feel your body breathe with mine

[Bm] [Bm/A] [G]
And taste the rain as it starts falling down

PRE-CHORUS

[D] [A]
Oh I can still feel that first time that you kissed me

[Bm] [G] [Gm]
How it burned my heart, tore my spirit out and set it free

CHORUS

[D] [A]
Oh

[Bm] [G]
Wrap your soul around me

[D] [A]
I won't let go

[G] [Gm]
Just Wrap your soul around, come wrap around me

BRIDGE – VIOLIN SOLO

CHORUS x2

[A]

I won't let you go

[G]

[Gm]

Just Wrap your soul around, come wrap around me
